

## THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

### The University of Alabama in Huntsville

**UAH** is a public Tier 1 national university located in Huntsville, Alabama. Its students hail from almost all 50 U.S. states and more than 80 countries. The University's 505-acre campus, which includes 16 high-tech research centers and labs responsible for close to \$97 million in research expenditures, serves the anchor tenant for the second-largest research park in the nation and the fifth-largest research park in the world. UAH maintains strong partnerships with federal agencies and commercial organizations that include the Hudson-Alpha Institute for Biotechnology, NASA's Marshall Space Flight Center, the Missile Defense Agency, the DIA Missile and Space Intelligence Center, and the U.S. Army Material Command. UAH offers nearly 90 degree programs of study at the undergraduate and graduate level.

#### Leadership Team

Dr. Judy Schneider, PI  
*Professor Mechanical Engineering*

Dr. Christine Curtis
