Biosketch: This is typically a brief paragraph(s) about yourself as you'd like to provide.

Julian Waddell is a Thought Leader in Cyber Security and Seasoned Start-Up Strategist with vast array of experience in both fields. After transitioning from his role as Head of Information Security for Oakwood University, he became the Chief Information Officer of ClearCore Federal

Solutions while also expanding his start-up consulting firm for early stage entrepreneurs. In the Fall semester of 2019, he also accepted the position of Assistant Professor of Management Information Systems at Oakwood University. Julian has over a decade of experience in information security management, Information Technology and Business Strategy. Julian was a lead technical specialist of the Data at Rest Security Encryption initiative implemented by NASA to increase Information Security for their users and received national recognition for his team's efforts.

Julian Waddell has his MBA with a specialization in Entrepreneurship and Cyber Crime and a Bachelor of Science in Computer Information Systems with a concentration in Information Security and a Minor in Management. Julian's extensive experience and responsive personality enables him to work with a wide range of clients in different industries and guide them to be their best selves.
