INTRODUCTION

This booklet has been designed to provide you with necessary information as you prepare for the Dietetic Internship (DI) Program at Oakwood University. We welcome you and desire that you achieve all the program outcomes as anticipated, which will prepare you for entry-level positions in the dietetics field. It is important to your success to have clear and realistic goals. We will do all we can to help you clarify and achieve them.

The DI provides a seven-week day orientation and a minimum of 1200 hours of supervised practice at various hospitals, food service institutions, and long-term care, children rehabilitation, public health and wellness facilities across the United States. Interns are required to take a pre-rotation examination during orientation. Interns who fail their pre-rotation examinations are required to return to Oakwood University at the end of their rotations for academic tutoring. We will use proctors such as local librarians or the local university professors to administer unit and exit exams.

The DI at Oakwood has one concentration. Twenty-five interns will be accepted each year in the Medical Nutrition Therapy (MNT) concentration. This program is currently granted accreditation by the Accreditation Council for Education in Nutrition and Dietetics (ACEND).

This program is in compliance with the Academy of Nutrition and Dietetics' Standards of Education. Program graduates who are verified by the program director are eligible to apply for the registration examination and for active membership in the Academy of Nutrition and Dietetics.

PROGRAM MISSION STATEMENT

The Oakwood University DI trains dietetic practitioners to serve in the fields of dietetics and nutrition. It provides didactic and experiential opportunities which enable interns to develop skills, demonstrate professionalism, apply knowledge, and work effectively to improve the quality of nutrition for the people they serve. The program integrates faith and learning, preparing individuals to serve God and man.

PROGRAM GOALS AND OUTCOMES

Program Goal 1: To prepare interns to become competent entry-level dietitians.

Program Objectives:

1. 90% of the interns enrolled in the DI program will complete all program requirements within 150% (15 months for full-time interns and 30 months for part-time interns) of the time planned for completion.
2. Over a five-year period, the pass rate for DI graduates taking the examination for the first time will be at least 80%.
3. At least 90% of student interns, employees and preceptors will confirm they were adequately prepared to perform well in the field of dietetics.
4. 80% of the DI graduates will be working in an area which allows them to practice the principles of MNT within six months of program completion.

Program Goal 2: The program will prepare competent dietetic practitioners to use their knowledge of nutrition to serve the community.

Program Objectives:

1. 90% of dietetic interns will engage in service where they can provide balanced nutrition information to the community.
2. 80% of the program graduates will confirm the adequacy of program preparation to share knowledge of nutrition and dietetics, to the community.

PROGRAM POLICIES

The program policies have been established to delineate the responsibility of each intern throughout the program and is the criteria used to determine continuance in the program.

ACADEMICS

1. Official BS degree transcript demonstrating degree conferral and a verification statement must be submitted to the program director within 2 weeks after orientation or before starting the rotations. All interns will be dismissed from the program if they fail to comply with these important requirements.
2. The full-time intern must complete the program within ten months. The part-time intern must complete the program within 15 months or no more than 150% of the normal curriculum.
3. The intern must comply with the Academy of Nutrition and Dietetics' Code of Ethics.
4. Three or more unexcused absences during any rotation can result in dismissal from the program. Any absence must be made up and is the responsibility of the intern.
5. Three or more tardies during any rotation can result in dismissal from the program.
6. All assignments must be satisfactorily completed by the specified date.
7. The intern must meet with the Dietetic Internship Program Director as designated.
8. Interns must report to the program director if the facility uses them to replace irrelevant duties of their employees instead of providing educational purposes to train them to become an entry level dietitian.
9. The intern must have an active e-mail address throughout the internship program.
10. The intern must attend two professional meetings at his/her own expense: District Dietetic Meetings, one other professional meeting such as the Pediatric Intensive Course by the University of Alabama at Birmingham, Department of Pediatrics or an intern choice approved by program director.

11. The rotation assessment process includes: (1) a satisfactory evaluation (≥ 2) by each preceptor; and (2) a minimum score of 75% on the pre-rotation, unit, and exit exams. Interns must pass both parts to pass Oakwood DI Program.

12. If the preceptor's evaluation of the intern's performance is unsatisfactory in a rotation, they will be placed on probation and must repeat the rotation. Failure to perform satisfactorily in the repeated rotation would result in termination from the program.

13. A unit exam is administered at the end of each rotation: community nutrition, food systems management and business/entrepreneurship and nutrition therapy. The three unit exams serve to assess strengths and weaknesses. If the score is less than 75%, interns must undertake a mandatory review session/additional course work assigned by the program director, which reflects the identified areas of weakness in knowledge and skills. The student needs to retake and pass the unit exam for continuance in the program.

14. Upon the completion of all rotations, interns will complete an exit exam to assess their knowledge. Students must pass the exit exam with a minimum score of 75%. This test may be repeated as needed.

15. Interns will be provided with a signed verification statement after passing the exit exam and completing internship rotations/assignments and other required projects.

Remedial Plan/Policy:

In rare case, when interns do not pass pre-rotation exam, he/she needs to reschedule her internship rotations with his/her preceptors and program director. Oakwood DI program is given 3 months period of time for interns to pass their pre-rotation exam. After 3 months period, if the score is less than 75%, interns must undertake a mandatory review session/additional course work assigned by the program director, which reflects the identified areas of weakness in knowledge and skills. The student needs to retake and pass the pre-rotation exam for continuance in the program.

ASSESSMENT OF PRIOR LEARNING

The program has established specific guidelines for students regarding credit for prior learning, including program specific limitations and documentation needed.

Assigning credit for prior learning: When the requirements listed in the table are met, the intern will be granted credit equivalent to the number of hours required for that rotation as stated in the "Suggested Rotation Schedule." The required documentation must be provided along with application to the program. Credit will be assigned during the admissions process.

Area of Assessment	Requirement (Program Specific Limitations)	Required Documentation
Job Experience	<p>Training/job experience must have been received at a facility which meets the requirements as stated below:</p> <ul style="list-style-type: none"> The facility must be accredited by JCAHO or the State Any facility at which the intern would receive prior learning credit hours must have a qualified supervisor (see “Minimum requirements of the 	<ul style="list-style-type: none"> Job description CDR Educational Plan Form 3
	<p>supervisors,” Form 2).</p> <ul style="list-style-type: none"> The facility must complete CDR Educational Plan Form 3 	
Minimum requirements of the supervisors	<ul style="list-style-type: none"> Supervisor must be registered dietitian and a member of the Academy of Nutrition and Dietetics or other qualified professional. Supervisor must be able to document appropriate continuing education for the previous two years. The supervisor must complete CDR Educational Plan Form 2 	<ul style="list-style-type: none"> CDR Educational Plan Forms 2 Valid CDR license
Length of Experience	<p>A minimum of six months employment, at least 20 hours per week, in the emphasis area of the rotation</p>	<ul style="list-style-type: none"> Supervisor letter of recommendation verifying length of experience, type of position, performance evaluation, and recommending the intern as a candidate for the program
Competency Skills/Type of competency	<p>Interns must demonstrate mastery of all the competency skills of the supervised practice curriculum for the specific rotation for which they are seeking prior learning credit; if any of the competency skills have not been met during employment, the prospective intern must arrange with the facility to complete those skills before credit can be granted</p>	<ul style="list-style-type: none"> Supervisor letter of recommendation verifying length of experience, type of position, performance evaluation, and recommending the intern as a candidate for the program Signed “Supervised Practice Curriculum/ Competencies”

FLEXIBLE SCHEDULING

Interns wishing to adjust their rotation schedule must write an official letter of request to the program director. They must include a plan detailing how they wish to complete their rotations, including beginning and ending times and hours of availability per week, month or quarter. All requests must be approved by the program director.

ACCESS TO PERSONAL FILES

Interns' written and oral data are kept at program's director's file for 5 years. All interns have their right of privacy to access their own data. Family members or others are not allowed to access the data without intern's discretion.

CONFIDENTIALITY

Interns must maintain strict confidentiality for all patients or clients in hospitals or community programs.

DISMISSAL

The following are specific grounds for immediate dismissal:

- Failure to comply with the requirements of the program.
- Failure to comply with the Professional Code of Ethics as outlined by the Academy of Nutrition and Dietetics
- Failure to comply with the confidentiality policy.
- Insubordination.
- If housed on campus, failure to comply with the college's rules as outlined in the Intern handbook.
- Unsatisfactory academic performance (failing in the pre-rotation exams three times or other related academic issues).
- Any other reason determined by the Advisory Committee.

PROGRAM COMPLETION REQUIREMENTS

1. Satisfactorily complete 1200 rotation hours (see Suggested Rotation Schedule).
2. Meet performance standards and receive passing grades from all preceptors and on all program online unit exams by a passing grade of 75% or greater after each completion of hours of rotations in clinical, foodservice and community.
3. Maintain professional and ethical standards as outlined in the Academy of Nutrition and Dietetics' Code of Ethics.
4. Understand and sign the RDE Misuse form.

5. Download to D2L completed e-portfolio after completion of rotations.
6. Completion of CDR Eligibility Registration form after completion of internship program requirements.
7. Interns will be provided with a signed verification statement after completion of all program requirements.

GRIEVANCE PROCEDURES

Any intern who desires to express concern regarding instructional matters such as perceived unfairness, grading methodology, cheating, or some other misunderstanding is encouraged to confer first with the preceptor and then the Program Director. If the matter is not resolved, the intern should do the following:

- 1) Submit in writing the details of the concern and present it to the Advisory Committee.
- 2) Meet with the Advisory Committee in order to discuss the matter.
- 3) Meet with the Nursing and Allied Health Professions Dean in order to discuss the matter.
- 4) Submit in writing the details of the concern to the Vice President of Academic Affairs at Oakwood University. The final decision will lie with the Vice President of Academic Affairs. The intern may access personal files on request.

HEALTH

It is strongly advised that the interns obtain a thorough physical examination before starting the program. Proof of a negative TB, PPD and hepatitis tests are mandated before admission into the program, along with MMR immunization documentation. During the supervised practice experiences, each intern must adhere to specific policies of each affiliating site.

HOLIDAYS

Holidays observed are as follows: Labor Day, two-days Thanksgiving weekend, two-weeks Christmas break, New Year's Day and Martin Luther King Jr.'s Birthday. You are not expected to be present on these holidays.

DRESS CODE:

Christian Dress

“Fashion is a mistress that rules with an iron hand.” “The love of display...kills the aspiration for a nobler life.” “A person’s character is judged by his [or her] style of dress. A refined taste, a cultivated mind will be revealed in the choice of simple and appropriate attire. Chaste simplicity of dress, when united with modesty of demeanor, will go far toward surrounding [young people] with that atmosphere of sacred reserve which will be...a shield from a thousand perils.”
(Education, pp. 246-248)

The principles of modesty, chastity, simplicity, propriety, good taste, neatness, comeliness, and consistent witness are core values that relate to Christian dress. Biblical guidelines for modesty do not depend on current fashion trends. Students who attend Oakwood University are viewed as representatives by all whom they encounter. Because opinions regarding appropriate dress for men and women may vary, Oakwood University reserves the right to determine what is/is not appropriate dress for its students. Therefore, the following attire will not be worn: Shorts, skorts/skirts, spaghetti straps, low cut (front or back) or strapless attire, bare midriff blouses/shirts, sheer or any tight clothing worn in a way that exposes undergarments or intimate body parts (back, chest, thighs, abdomen, etc.). Garments should be neither tight fitting nor extremely oversized. Evening wear attire must also follow these guidelines. Splits on dresses or skirts may not extend above the level of the knee (front, side, or back). Skirts, shorts, and dresses must be no higher than one inch above the knee.

Shorts may not be worn when attending chapel, assemblies, special convocations, church, AYS, or other religious services, other than residence hall worships. Hats, caps, stocking caps, "do-rags", and any other headgear may not be worn by males when attending the aforementioned services. Muscle shirts and similar attire may not be worn except in designated areas such as the campus weight room.

Acceptable swim attire for men is boxer style swimsuits; acceptable attire for women is modest, one-piece swimwear.

ILLNESS/EMERGENCY

In the unlikely event that an intern will be late, the intern should call the rotation preceptor as a professional courtesy. If a day must be missed, both the preceptor and Program Director should be contacted. Make-up of any missed work is the responsibility of the intern. If an emergency occurs, appropriate arrangement must be made with the preceptor and Program Director. If illness or other unusual circumstances causes a prolonged interruption within the program, the intern can continue the program the following year, if approved by the program director. A letter explaining the reasons for this interruption must be given to the program director. It should also be stated in the letter the date the intern plans to complete the program, not to exceed two years beyond the interruption. Only the rotations and objectives that were not completed must be satisfactorily completed. If the tuition cost increases, only the difference in tuition must be paid.

INSURANCE

All interns must purchase general and professional liability insurance, in the amount of not less than two million for each occurrence/and five million in aggregate. The purpose of this general and professional liability insurance is to cover the unexpected injury or illness while in a facility for supervised practice. Evidence of insurance coverage will be given to the rotation facilities upon request. Evidence of car, malpractice and health insurance must be documented before interns are officially registered.

DRUG TESTING AND CRIMINAL BACKGROUND CHECKS

Interns are subjected to drug testing and criminal background checks per policy of supervised practice facility from their own expenses.

TRAVEL

Oakwood University is not responsible or liable for accidents occurring in travel to and from program assigned areas. Interns are responsible for their own transportation and car insurance.

TUITION PAYMENT

Continued acceptance in the program is contingent on receipt of tuition. Payment of tuition must be received, at the latest, a week before the program starts. If financial aid does not arrive by the above due date, written official evidence of these monies are required.

TUITION REIMBURSEMENTS

If a student decides not to enter the program at least 10 days before the program starts, 100% tuition is reimbursed. There is no tuition refund if withdrawal/dismissal occurs after this time. If the intern plans to attend and is allowed to return the following year, then the intern is considered as a new applicant.

ESTIMATED EXPENSES

Application fee (money order only) \$100 non-refundable

Tuition \$12,000

Oakwood University Registration fee &

Certificate of Completion \$ 75

Books/Supplies Varies (\$50-\$500)

Lab Coat Varies

Housing/semester \$1,970-2,410

Meals Varies

Transportation Varies

Car and Insurance required Varies

Health Insurance required Varies

Personal Varies

Malpractice Liability Insurance \$25 -\$55

(Responsibility of Student)

Affiliate membership in A.N.D \$58

Long distance phone calls for out of state calls - Varies

ESTIMATED SEVEN- DAYS ORIENTATION EXPENSES

-Lodging \$25 per night (West Oaks Doom)

-Meals (varies) \$ 100-\$300

-Transportation (varies) \$ 25-\$600

HOUSING

Oakwood University provides housing within walking distance of campus for \$ 25 a night. Please visit our web address: <http://www.oakwood.edu/woa/> or e-mail westoaks@oakwood.edu or 256-726-8457 or call the Dean, Camille Kibler at: 256-726-8210 directly for more information.

FINANCIAL INFORMATION

Opportunities exist for dietetic interns in need of financial assistance. Grants, low interest loans, or scholarships may be available from corporations, community or civic groups, religious organizations, the Academy of Nutrition and Dietetics, the Alabama Dietetic Association, and Oakwood University.

Scholarship eligibility criteria are usually published in the September A.N.D. Journal. Scholarship forms may be requested from the Program Director.

For more information, contact Oakwood University Financial Aid Office (256) 726-7237.

CHAPLAIN/CAMPUS MINISTRIES

Oakwood University Campus Ministries is deeply committed to the spiritual development of each person on campus. It is our goal to see the "character of Christ" formed in "us." At

Oakwood University we believe that the nature of our life and faith is shaped by the quality of our relationships with God, each other, and the world.

There are several entities at Oakwood which fulfill a major role in leading our students towards God.

Chapel - Held each Thursday at 9:50 a.m.

Adventist Youth Society - Held each Friday night at the Oakwood University Church.

Oakwood University Church is the "heartbeat" of the spiritual life of the campus. Services are held Wednesday evening, Saturday Morning and Saturday afternoon Vespers.

Power Hour - Every weekday at noon a group of students gather to study and pray together.

This gathering has led to various outreach activities.

The Chaplain's Office - Spiritual counseling is available to each student.

A week of spiritual emphasis is conducted each semester.

ACCESS TO DISTANT STUDENT SUPPORT SERVICES

If an intern has need to a support services that are not locally available, they contact the program director and she makes arrangement for the necessary support.

CAREER PLANNING & PLACEMENT

The Career Services Office offers a comprehensive program that assists students and alumni of all academic areas in attaining their career objectives. The primary goal of the Career Services Office is to provide opportunities to our students and alumni through programs, which will enhance their professional competencies and increase their marketability.

- Employment counseling.
- Mini-workshops and individual counseling sessions on resume and cover-letter writing, career-services orientation and job-search strategies.
- Job-listing service, which provides current information about specific employment opportunities.
- Classroom visitations on employment trends, resume writing, job-hunting techniques, and career planning.
- Literature provided by on-campus recruiters including career opportunities, benefits, salaries, and annual reports.
- Video-tapes, brochures, and booklets on interviewing and resume writing.
- Annual Career Programs - Career Fair and Youth Motivational Task Force Conference.
- Computerized resume service.

ADMISSIONS OFFICE

Information on immigration procedures and Federal Regulations is available.

GRADUATION

A post-baccalaureate certificate of completion will be presented at the Oakwood University graduation ceremony. Proper attire for the graduation ceremony is the cap and gown. Interns are encouraged to invite family and friends to celebrate this important event.

NON-DISCRIMINATORY POLICY STATEMENT Oakwood University is an Equal Opportunity institution, which does not discriminate on the basis of race, color, national or ethnic origin, gender, marital status, or handicap as consistent with section 702 of Title VII of the 1964 Civil Right Act. Acceptance of the interns is without prejudice or preference. Discrimination is not allowed in the school's scholarship and loan programs, education process/policies, and administered programs.
